

Colorado News Connection

2006 ANNUAL REPORT

In 2006, the Colorado News Connection produced 113 radio news stories, which aired more than 4,169 times on 143 radio stations in Colorado and 460 nationwide.

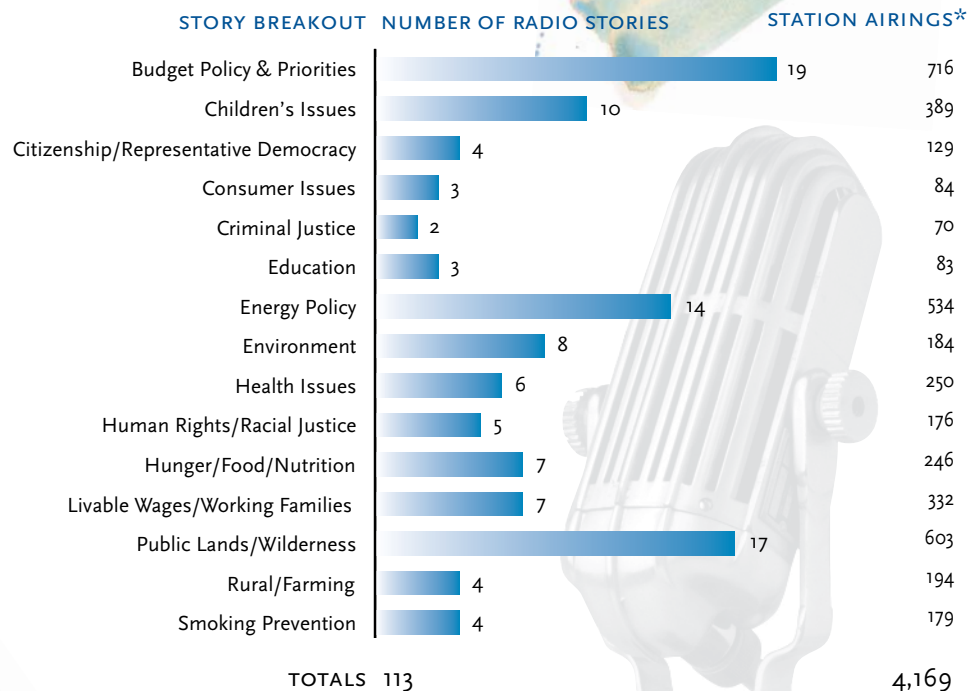

“Easy and convenient to use, timely topics...Variety of stories...Relevant to our audience...Love the news that I have been getting from you, we use your service quite a bit... Keep up the great work, it’s nice to have a local news source...gives us great stories and good audio.”

COLORADO BROADCASTERS

“The Colorado News Connection is a model for state news services: its rapid response abilities, its flexibility to address a multitude of issues, and its credibility in both urban and rural parts of our state were an invaluable resource during a critical year.”
